SPEAKER INVITATION

January, 2024

Dear Celeste,

I would like to cordially invite you as a Keynote SPEAKER to the Verbier Summit www.verbiersummit.com, the global sustainability and finance forum in the Swiss Alps, on Friday 15 March, 2024 at the World's Best Ski Hotel: the W Verbier Hotel.

Following 2023 as the hottest year on record, the midway point for the 2030 UN Sustainable Development Goals (SDGs), and outcomes of the UN Climate Conference COP28, more rapid action is needed to address our triple climate, nature and biodiversity crises.

As such, this year the Verbier Summit centres on the theme of "Closing the finance gap for climate, nature and biodiversity". The one-day event will convene 150-200 sustainability leaders, financiers and entrepreneurs from Switzerland and abroad. Selected attendees are seeking or building opportunities to unlock, implement and catalyse private capital and corporate action.

During the forum, main stage panel discussions will focus on sustainable finance, carbon & biodiversity markets. A separate auditorium will feature Swiss and international startups and investors developing innovative tech solutions to climate, nature and biodiversity challenges.

Additionally, having already been voted as the best ski resort in the world in 2021 and 2022 and in Switzerland in 2023, the conference will also feature speeches on sustainable lifestyle, sports, energy, food, and tourism as Verbier aims to be the greenest ski resort in the world.

Please register or RSVP by the end of January by clicking on this link www.eventbrite.co.uk/e/779316274957/?discount=SPEAKER

We sincerely hope you will be able to attend and join us. Thank you.

Your Sincerely,

Michael Mathres, Founder, Verbier Summit & Chief Marketing Officer, ITMO Ltd.
