## Overview

Statistics for the entire archiving period since 2017-05-01

<b>Archive size [TiB]</b>	<p><b>Error rendering macro 'sql'</b></p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats' is not allowed. Current user is not authorized.</p>
<b>Number of fields</b>	<p><b>Error rendering macro 'sql'</b></p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats' is not allowed. Current user is not authorized.</p>

<p><b>Number of active users</b></p>	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats' is not allowed. Current user is not authorized.</p>
<p><b>Delivered data volume [TiB]</b></p>	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats' is not allowed. Current user is not authorized.</p>
<p><b>Number of retrieved fields</b></p>	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats' is not allowed. Current user is not authorized.</p>
<p><b>Number of requests</b></p>	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats' is not allowed. Current user is not authorized.</p>

## Monthly sums

### Data volumes

Volume of data **retrieved** from MARS before post-processing vs volume of data **delivered** to users after post-processing.

### Number of requests

### Number of active users

### Users per country

- as per 2018-06-01

No Data Available
