## Statistics for the period since 2014-01-01

Number of active users	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats_new' is not allowed. Current user is not authorized.</p>
Delivered data volume [TiB]	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats_new' is not allowed. Current user is not authorized.</p>
Number of retrieved fields	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats_new' is not allowed. Current user is not authorized.</p>
Number of requests	<p>Error rendering macro 'sql'</p> <p>Security restricted macro with parameter 'datasource' and parameter value 'mars_apistats_new' is not allowed. Current user is not authorized.</p>

## Monthly sums

### Data volumes

Volume of data **retrieved** from MARS before post-processing vs volume of data **delivered** to users after post-processing.

## Number of requests

(peak values not fully displayed: 03/2016: 2,770 09/2016 : 104,283 10/2016: **223,116**)

## Number of active users

## Users per country

- as per 2018-06-01
